

HALO WORK ORDER

Use this form any time a product needs to be sent in for modification, upgrade, repair, or inspection. We receive many shipments daily. The person you talked to about your item may not even be at this location. Without this form accompanying the item, it is difficult for us to determine who the product belongs to or what needs to be done with it.

Send items to:

OX OFF ROAD
11405 Challenger Avenue
Odessa FL 33556
Phone 727-230-7803

Description of work scope

We highly recommend putting a declared value/insuring your package for replacement value. Please ensure that your diff is drained completely and unable to leak into the box. Boxes that get too oily tend to get returned to sender.
